

*Architectural Wrought Iron by*

# Moreton Bay Blinds

Specialising in a large range of beautifully designed **Steel Window Grilles** and **Security Doors** fitted with high quality deadlocks and insect screens if required.

We also produce **Steel Security Grilles** and **Doors** for patio enclosures.

All Window Grilles and Security Doors are sand blasted, primed and powdercoated. If externally fitted, the items are hot dipped galvanized before powdercoating (a full range of powdercoat colours are available).

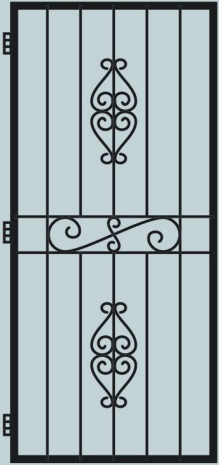

**Locally owned and Australian-made security screens, blinds, and awnings**

**Address: 2/25 Steel St, Capalaba QLD 4157**

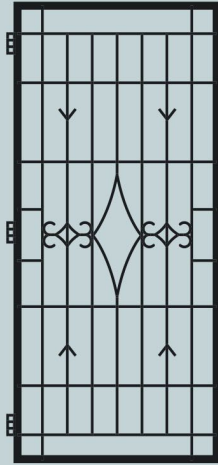

**Phone: 07 3245 5590**
